

pewag PSWP Grab hook

Short and safe.

This grab hook for the winner pro Connex system is the standard shortening hook with a safety bolt in the G12 lashing programme. The hook prevents the accidental release of the chain.

The special design of the chain contact fosters the ideal interplay between the chain and the hook – and it is not necessary to reduce the admissible lashing capacity when shortened.

The hook is manufactured according to EN 1677-1 with the lashing capacity of G12 and is visually striking thanks to its light blue, powder-coated surface.

PSWP Grab hook	Code	LC Lashing capacity [kN]	e [mm]	b [mm]	d1 [mm]	d2 [mm]	g1 [mm]	Weight [kg/pc.]
	PSWP 7/8	60	68	63	18	11	10	0.53
	PSWP 10	100	88	81	22	14	13	1.05
	PSWP 13	160	110	103	26	18	17	1.89
